

Considering the Principalship?

The Michigan Association
of Secondary School
Principals

The Principalship is a very rewarding profession. It affords you the opportunity to lead and shape the future.

The professional association for secondary school principals, MASSP, would like to help you with your decision.

MASSP will provide you an opportunity to be in touch with the issues that are important to the principalship.

The Michigan Association of Secondary School Principals has a special membership for Educators.

Membership includes:

1. All Association publications
2. Full access to our informative web-site
3. School law and legislative news delivered via MASSP-News and MASSP-Members Listservs
4. Reduced conference & workshop registration fees

All-in-all, a chance to get a feel for what it's like to be a principal.

What are some of the positive aspects of the Principalship?

- New challenges
- Respect and status
- Meet new people
- Work with others
- Flexible schedule
- Problem solver
- Variety of responsibilities
- Continued involvement with students
- Personal & professional growth
- Nurture creativity
- Effect change
- Increase student learning
- Financial security
- Administrative support system

MASSP Members include

- In Michigan's public schools:**
- 96% of High School Principals
